

ASIS WOMEN in SECURITY

Networking, mentoring, and leadership development

MEMBERSHIP

While this group's benefits and programs are tailored for women, we encourage and welcome the participation of all ASIS members dedicated to the advancement of women in the security industry.

BENEFITS

Ask a Mentor Series

Monthly forum where industry leaders discuss relevant topics such as breaking barriers and effective leadership. The intimate group setting yields open and candid discussions.

Specialty Programming

Gain knowledge and strategies relevant to your career goals through programming tailored to women in the workplace. Accomplished professionals share their expertise and insights on a range of issues facing women today, including leadership, career development, and work/life balance.

Premiere Networking

Build and strengthen your professional network. Get inspired and enhance your career potential by establishing and fostering mutually-beneficial relationships with a diverse network of practitioners from around the globe.

“Our group provides a platform for women to accelerate their career path with the help of seasoned leaders. At the core, we seek to grow ASIS International’s global membership by encouraging the next generation of women into the industry.”
